Baruch Backs European Aid; Outlines Peace-Waging Plan

PROPOSES DRIVE AGAINST WAR AND INFLATION

Asks Farm Prices Be Rolled Back. No Tax Cuts, Rent Controls

WASHINGTON, Jan. 19 (AP)—A "global strategy for American peacemaking," with this country pledging itself to wage war if necessary to defend a new European union against aggression, was proposed today by Bernard M. Baruch.

The 77-year-old financier coupled his proposal with a call for a two-year production drive "to work for peace as we worked for war" here at home and for "a bold, resolute concerted attack against the clanking fears of inflation and of another war."

He recommended a rollback of farm prices, postponement of wage increases, demands, continuation of rent control, no cuts in individual income taxes for two years and a return to the wartime tax on excess profits of corporations.

And he told the Senate foreign relations committee, in outlining an 11-point "peace-waging" program and endorsing "substantial" aid to Europe, that this country should offer to buy all the world's raw material surplus for the next five years.

Baruch approved in general the \$6,800,000,000 European recovery program sponsored by President Truman and Secretary of State Marshall but differed with the Administration and Congress' Republican leadership alike on several key and other questions.

He took sides with the Administration on the question of how European aid should be managed, saying Congress should give "full operating powers" to a single administrator responsible to the President and secretary of state in foreign policy matters.

A number of influential Republicans are contending that operation of the program should be divorced from the State department. Senator Taft (R-Ohio) proposed last night that there should be a special cabinet post for the administrator.

Baruch gave his views on administration in response to senators' questions.

The tall, silver-haired "elder statesman" argued that "the countries of Europe—as many as are willing—band themselves into a political, economic and defense union under the United Nations."

The U. S. "and such others as will join us," he said, should "mutually guarantee the nations entering this union against aggression."

"By guarantee," Baruch said vigorously, "I mean a firm promise to go to war in joint defense if any of them are attacked."

Questioned by senators, Baruch said he thought the U. S. might well seek strategic bases "for our mutual protection" from countries getting help from us. Similarly, he said, we would be wise to seek strategic raw materials from them.

BOGOTA, Colombia Jan. 19 (P)—Regular army troops arrived in the provincial capital of Cucuta in seven transport planes today and moved immediately into the strife-torn area of Santander and Norte provinces where conservative and liberal party members have been battling each other for the past week.

The army force will be augmented by hundreds of national policemen and army reservists called up today by President Mariano Ospina Perez for duty in the northern province, adjacent to the Venezuelan border, which is now under martial law.

Although no official estimate of the casualties in the political fighting has been issued to date, the liberal Bogota newspaper El Espectador said today in a Cucuta dispatch that "the dead total several hundreds." The correspondent gave no source for his information.

GOP Proposes Rent Controls, Meat Rationing

WASHINGTON, Jan. 19 (P)—Republican proposals to ration meat, if necessary in a time of shortage, and to extend rent controls for more than a year but Capitol Hill today. These argument-laden developments on the economic front coincided with a new attack on President Truman's anti-inflation plans by Senator Taft (R-Ohio). Taft told a downtown audience that Mr. Truman's ideas on price and rationing controls actually would raise prices, rather than lower them.

Taking one thing at a time, Senator Flanders (R-Vt.) and Rep. Javits (R-N.Y.) introduced a bill to give the agriculture department \$1,000,000 to print ration books and otherwise prepare to ration meat "when the crisis comes upon us, if it does come."

Flanders used the term "crisis" in referring to the acute shortage of meat forecast by the Agriculture department for this Spring. The bill provides there would be no actual meat rationing unless Mr. Truman asked for it, and Congress failed to disapprove his request within 30 days.

India, Pakistan Hint Agreement Over Kashmir

LAKE SUCCESS, Jan. 19 (P)—Hints of "some agreement" in the Kashmir dispute emerged today from a secret conference between Indian and Pakistan delegations arguing the case here before the Security council.

There was speculation in informal quarters that the two dominions had agreed on the principle of United Nations good offices to end the conflict in the princely state. This would take care of one phase of the dispute.

It would follow the precedent set by the council the past Summer in creating a committee of good offices which the past week obtained a truce in the long fighting between Dutch and Indonesian forces in the East Indies.

A spokesman for Fernand Van Langenhove of Belgium, council chairman for January who presided over the inter-dominion negotiations, said he would report to the Security council.

Plans Furthered For New Program at Pottstown Hospital

After six months of organization, the Master Plan committee of the Pottstown hospital will hold its first meeting next Monday at 6:30 p. m. in the Brookside Country club.

This was announced last night by A. C. Seawell, administrator of the hospital, following a meeting of the board of trustees.

Seawell declared that he expected 60 persons, "representing a cross-section of the responsible people of Pottstown, Bovertown, Royersford and Spring City," to attend the dinner-meeting.

Dr. Edgar Hayhow, administrator of the East Orange, N. J., hospital, and president of the American College of Hospital Administrators, will be the speaker.

Dr. Hayhow will outline the work of his group to the Pottstown organization, which is designed to consider as a whole all the improvement, modernization and reconstruction work at the Pottstown hospital, as it affects the entire community.

Charles L. Schulz, president of the board of trustees, will be in charge of the meeting, at which hospital, medical, borough, county, church, community, and other civic groups will be represented.

Other business matters at last night's meeting, included the announcement of the addition to the courtesy staff of Dr. Ernest.

MERCURY SINKS TO 4 DEGREES

Equals Lowest Mark This Winter; 10 Below Reported at Pruss Hill

The mercury took a mighty jump off the high board yesterday and plunged to 4 degrees, equalling its record low for the year and the Winter.

For an hour after 5 a. m. yesterday the thermometer held its breath at that figure and then came to the surface at a high of 20.

The record for the day however, set at 2 below back in 1904, remained unassailed.

The record would have been a pinch for outlying areas, however, where the temperatures dropped much lower. At Pruss Hill, where a hollow next to a frozen pond sends temperatures lower than anywhere in the area, the mercury zoomed to 10 below yesterday morning at 7 o'clock.

In Harleysville at the headquarters of Otto Quinke, superintendent of the Upper Perkiomen Valley park, it dipped to 5 below at 7 a. m. At Leesville, where it is nine inches high, the record for the year and (Continued on Last Page)

19 Scout Units To Participate In Badge Show

Announcement of the progress of the Merit Badge show to be held in the Pottstown Armory Feb. 12 and 13 was made at last night's reorganization meeting of the Continental district committee in the Howard Johnson restaurant.

At least 19, and possibly 25 area troops will have exhibits on display at the show, which will be open to the public from 7 to 10 p. m. Robert U. Borneman, district scout executive, announced.

Each of the troops will display work done in connection with a different merit badge, he said, while special demonstrations of scout skills will be held at intervals during the evening.

Robert Yoder, district chairman, and Henry T. Schneider, vice chairman, who were elected with the other committee men the past month, made the following appointments: Harry M. Shellenberger, district commissioner; S. Louis Cornish and W. S. Young, activities committee; Edgar Donahower and John Leininger, advancement; James J. Moore and C. Edmund Wells, camping; C. Cleaver Root and Charles L. Schulz, finance; Richard P. King and M. Russell Moyer, health and safety; Waverly H. Kiehl and Joseph Hann, organization and extension; Frederick Calen and T. Edmund Wells, training; and E. S. Fritz (honorary), Ralph H. Sparr, Oliver L. Christman and Kenneth Fleischmann, members at large.

It also was announced that the district would send the following representatives to the banquet and meeting of the Valley Forge council in Philadelphia Saturday: Yoder, Shellenberger, Leininger, Kiehl and Borneman.

Stamp Club Plans Tenth Annual Show

Plans for the tenth annual exhibition of the Pottstown Stamp club were discussed last night at the bi-monthly meeting held in its quarters, 68 Beech street. President Joseph W. Moyer was in the chair.

The exhibition will be held April 23-24-25 in Odd Fellows temple, 260 King street. A prospectus has been mailed to many collectors throughout the country. Admission will be free.

A seal, commemorating the event, has been designed by H. Bernard Keim Jr., a local artist. Exhibition officers are Tighman K. Hausman, director; John M. Howard, secretary, and Horace S. Swavely, treasurer.

FIRE THREATENS WREN MANSION; LOSS AT \$5000

Three Companies Quench Blaze at Morysville; Firefighter Overcome

Fire, which came close to causing destruction of historic Wren mansion in Morysville yesterday morning at 2:45 o'clock, caused damage estimated at \$5000 but was quickly brought under control by the two Bovertown fire companies and the Geodiville company of Pottstown.

Before the conflagration was put out, however, it burned out a hardwood floor in the east wing of the first floor in a room about 25 by 25 feet, destroyed a two-month-old Italian Renaissance fireplace, and knocked out electrical service.

John Wojac, 30, of the Merchants hotel, Pottstown, was overcome by smoke and taken to the Pottstown hospital in a Good Will ambulance.

The Good Will fireman was reported in good condition last night, but hospital authorities said that due to the irritation of his lung tissues or smoke, he was "very uncomfortable."

The owners, Mr. and Mrs. Francis J. Brauer, who purchased the giant home about two years ago and are now converting it into apartments, discovered the fire when they smelled smoke in the service quarters on the ground floor, where they are now living while apartments are being built on the first, second and third floors. The flames were confined to the basement.

The Bradys quickly wrapped their youngest children, Richard, 6, and Billy, 2, in blankets and rushed (Continued on Last Page)

School Board Seeks Teacher View On Dr. Cordts System of Training

In an effort to determine teacher reaction to the in-service teacher training program conducted in the elementary schools by Dr. Anna D. Cordts, Rutgers university educator, the Pottstown school board has sent a questionnaire to all teachers asking for their opinion.

Every teacher will receive one of the questionnaires. George D. Robbins, president of the board, said last night. This includes teachers in both the Senior and Junior High schools.

In addition to asking whether or not teachers favor in-service teacher training; and whether or not they favor the training program conducted by Dr. Cordts, the board also asks whether or not they favor the Cordts reading system.

Space is available for further remarks by the teachers at the bottom of the questionnaire.

Robbins could not say if the results of the poll would be made public at a special meeting of the school board, or if they would be disclosed at its February meeting. He asserted, however, they would be made public "in plenty of time."

The letter accompanying the questionnaire declared, in part: "The Board would now like to get

of the opinion of the teachers on this subject; especially of those who have been receiving this instruction."

Some 56 percent of the teachers polled, representing those in the upper schools, have had little or no contact with the teacher training program or the reading system, two separate programs conducted solely in the elementary schools. They will, of necessity, be able to answer only those questions about a teacher training program, and not those relating to Dr. Cordts.

The questionnaires bear no marks to distinguish between elementary teachers and those in the Senior and Junior High schools. In fact, anonymity is stressed in the accompanying letter which continues: "Realizing your natural reluctance to make any personal statement, we are using a method which is entirely impersonal and in which your anonymity is protected."

It was pointed out by several elementary school teachers who already have received the questionnaires, that unless teachers in the upper grades adhere to the board's request for an honest opinion, their greater numbers may give the poll a completely distorted result.

51 STUDENTS STRICKEN
HUNTINGDON, Jan. 19 (P)—Ninety-one students at Jumaia college were reported suffering tonight from an illness which the college physician said has "all the symptoms of Virus X."

READING, Jan. 19—Two Scout-kid county women remained in Berks county jail today, charged with intoxication and being a public nuisance, after they were accused of taking a \$360 diamond ring and a \$15 cigaret case from Leon C. Jefferson, Apartment 12-C, Road A, Hilldale, Pottstown.

The women, Margaret Witrosky, 22, and Irene Montiro, 44, appeared at a hearing before Alderman Ralph L. Moyer on Saturday. He sentenced them to pay \$26.50 each or spend 30 days in jail and neither could raise the money immediately.

Jefferson was with a group of men from Pottstown and Pottsville, and one of the others complained that he had been robbed of \$40 in cash.

The ring and cigaret case both were recovered by Jefferson.

Kiwanis to Celebrate Anniversary Tonight
The Pottstown Kiwanis club will celebrate the 33d anniversary of Kiwanis International at its meeting in the Elks home at 6:15 o'clock tonight.

The education committee, under the direction of Dr. Paul Z. Hoffman, chairman, will present the program for the evening.

An outstanding feature of the anniversary celebration will be the reading of a message from Dr. Charles W. Armstrong, Salisbury, N. C., president of Kiwanis International.

Daniel L. Fritz, 79, Ex-Burgess, Passes

Daniel L. Fritz, burgess of Pottstown during 1913-17, died at 8:10 o'clock last night in the Pottstown hospital where he had been a patient since the past Nov. 11. He was 79 years old.

Mr. Fritz went to the hospital suffering from uremia, the first serious illness in his life. Prior to Armistice Day, 1947, he had been active in his grocery store at 110 King street, out the place of business was closed by his wife, Mrs. Jenny (Eagle) Fritz, when her husband became ill.

The former burgess had been in the grocery business for 55 years, and until 30 years ago, was the owner of the first grocery chain in the Pottstown area, the Fritz Grocery Stores, with two places in Pottstown, one in Bovertown and one in Birdsboro.

Although merchandising was his livelihood, Mr. Fritz was interested in politics and spent eight years in borough council as well as a four-year term as Burgess.

His "hobby," his family declared, was his interest in people. He always invited children into his house and store to give them candy and cookies, and to talk to them about all the things dear to their hearts.

The general good feeling he bore toward his fellow-men always was expressed in many ways, one of the most typical when he was Burgess.

At that time, Burgess Fritz decided to allow the circus to parade through Pottstown without charge. Although he was not particularly interested in the circus or its parade, he knew well that many people were not all children, either—and as his wife expressed it:

"He just believed in 'live and let live.'"

Mr. Fritz was born in Pine Forge on Nov. 27, 1868, and was educated there. His parents were the late John S. and Mary Ann (Levenson) Fritz.

In 1890, after he had been married for four years, he went to work in William and Lorah's grocery store at High and York streets, remaining with the firm for two years.

Later, he bought the store, the largest property he ever owned and still one of the largest food markets in Pottstown, although no longer in possession of the Fritz family.

For another two years the fledgling grocer continued his apprenticeship, this time with George Heck, at 109 King street, directly across the street from the home that he and his wife occupied for the past 50 years.

The first store he owned was at 103 High street, and for more than 10 years Mr. Fritz kept it going.

The name of the place was misleading, "Philadelphia Cash Grocery." The proprietor was not a man who could turn his customers, and in the course of the years many sizeable bills piled up, many of which never were paid.

"He was too good-natured sometimes," his wife said. Groceries at 239 High street and at York and Walnut street followed, and 11 years ago the smallest store of them all, on the sun porch at 110 King street, came into existence.

"It was just a little place," Mrs. Fritz declared, "but the neighbors (Continued on Last Page)

Crash Victim

HELEN P. LACHMAN

ACTION DELAYED IN AUTO DEATH

Two Drivers Involved In Lachman Accident Confined to Hospital

Legal action following the automobile-truck crash early Sunday morning in which Helen P. Lachman, 31, 141 Beech street, was fatally injured, must await recovery of the four persons hospitalized after the accident.

Justice of the Peace Raymond C. Kelley, of the Second ward said that warrants charging Charles C. Barr, 31, of the Pottstown YMCA, the driver of the car, and Joseph Moon, of Camden, N. J., the truck driver, with involuntary manslaughter, would be served as soon as they were discharged from the hospital.

Both men will be held under \$1500 bail.

Barr and Moon, as well as Mr. and Mrs. Albert E. Hartman, of 75 West Fifth street, who were in the car driven by Barr, were reported in good condition at the Pottstown hospital last night.

All four suffered possible fractures in the collision, which took place on High street between Mount Vernon avenue and Rosedale drive, but hospital authorities said that the X-rays were not yet available.

The driver of the car, Joseph Moon, indicated earlier that he would hold an inquest, but this also must wait until all the persons involved in the wreck were released from the hospital since they would be subject to call as witnesses.

Dog-Catchers Must Go, Says SPCA Speaker

Election of a temporary executive committee; plans for a membership drive and a plea for abolishing the office of borough dog-catcher, highlighted last night's meeting in borough hall of the Pottstown branch of the Society for the Prevention of Cruelty to Animals.

Paul P. Kilburn, local kennelman, who guided most of the meeting, was elected to the committee and then was chosen by the committee members as chairman.

Mrs. Florence Seidel, Reading, president of the Berks county Humane society for a decade, drew applause from the 35 present when she assailed dog-catchers.

She said she had nothing against Pottstown's dog-catcher, Leidy Fritz, in particular, "but said she was directing her remarks (Continued on Last Page)

STATE AGENTS TO FILE CHARGES AGAINST GRIMM

Owner of Home Damaged By Blaze Accused of Liquor Law Violations

Vincent Grimm Sr., whose home at 1115 Sembling avenue was partially destroyed by a fire attributed to the explosion of a still, will be charged with the illegal manufacture and possession of untaxed liquor at a hearing before Justice of the Peace Richard H. Frazier of the Seventh ward, at 2 o'clock next Monday afternoon.

A warrant was served upon Grimm yesterday afternoon by three agents of the Philadelphia office, State Liquor Control board, on the twin offenses.

Grimm was scheduled to be heard yesterday, but he was still suffering from burns of the arms and face and his physician recommended that he remain indoors for another week.

Fire Chief Richard E. Lindauer joined Fire Marshal Harold H. Wentzel in ascribing the fire to the explosion of a still in the basement of Grimm's home.

Grimm and two of his sons were burned in the fire, and the brick house was damaged to the extent of \$4000, mostly in the basement and first floor.

Morton Caplan, one of the three agents, was the prosecutor in the warrant. The other two agents were David H. Baker and Charles B. Owens.

Discussing the charges, Baker said, "We definitely have a case on possession because we impounded a gallon jug of alcohol that was found there, but there is a technicality on the manufacture because the still disappeared."

Pictures taken at the scene and published in The Mercury on Jan. 17, however, were taken by the enforcement agents and were expected to be used in the State's case against Grimm.

In addition, Baker said that a small part of the still had been recovered (Continued on Last Page)

Safety Films Shown Pupils In 3 Schools

Safety films were shown to pupils in the Lincoln, Washington and St. Agnes Parochial schools yesterday, as local and State police started their program of visits to elementary schools in conjunction with the Pottstown Automobile club.

The films will be shown in the Rupert and St. Clair buildings today, and in the Jefferson building tomorrow.

Motor Patrolman Harold E. Hahn, of the Pottstown force, and State Trooper Martin R. Kiggins, Collegeville sub-station, in charge of safety work for that station, explained the films to the school children and encouraged them to obey their safety patrol members.

Jacob Wunderlich represented the Pottstown Automobile club in the talks and film showings. The club supplies the movies to police, who show them at the schools three times each term.

Two films are being shown this week. One shows proper methods of boarding and leaving school buses, and the other is a cartoon, displaying general safety regulations.

Optimist Club to Hear Talk by Stowe Pastor

The Rev. J. A. Clamenhaca pastor of the Brethren in Christ Mission, Stowe, will be guest speaker at the Ladies' Night meeting of the Optimist club in the Elks home at 6:15 o'clock tonight.

The installation of officers of the Optimist club will mark the meeting. A former missionary to Southern Rhodesia in Africa the Rev. Clamenhaca has two sons who have followed his footsteps in the missionary field. One is stationed in Southern Rhodesia and one in Northern Rhodesia.

Oklahoma Establishes Law School For Negroes After Court Order

OKLAHOMA CITY, Jan. 19 (AP)—The Oklahoma State regents for higher education today established a Negro school of law in Oklahoma City as a branch of Langston Negro university, after a Negro leader said immediately that there would be "no acceptance of a Jim Crow law school."

MRS. ADA FISHER

The school was established after the Supreme court of the United States ordered Oklahoma to provide equal law school facilities for Negroes as soon as for white persons. Oklahoma's constitution requires separate schools.

Mrs. Ada Lois Fisher, 23-year-old Negro woman who sought for two years in the courts a decision to permit her to enter the University of Oklahoma law school, filed application to enroll this morning. She would make no comment on the regents' action.

Roscoe Dunjee, a national director for the National Association for Advancement of Colored People, said the regents' decision was a surprise.

The new law school must be established by next Monday to meet the needs of Mrs. Fisher, honor graduate of Langston, the only Negro university in Oklahoma.

Thurgood Marshall, New York attorney for the NAACP who went with Mrs. Fisher to enroll this morning, left immediately for Washington for conferences tomorrow on what further legal action would be taken.

Truman Tries Again To Put USES Under Labor Department

WASHINGTON, Jan. 19 (AP)—President Truman tried again today to assign the United States employment service to the Labor department permanently. Congress killed his first try the past June.

The service is now in the department temporarily under an executive order but is due to go back to the Federal security agency when the President's wartime powers expire.

That would be six months after World War II is declared ended officially—or sooner if the President or Congress so orders.

Today's reorganization plan of the President will go into effect within 60 days unless both branches of Congress reject it—as they did a similar one nearly seven months ago.

Thus the stage was set for possible re-fighting of a battle between Mr. Truman and the Republican-controlled Congress. GOP leaders fought the employment service shift the past year as an effort to "make permanent a lot of wartime juggling" of agencies, as Rep. Hoffman (R-Mich.) put it.

HIGH COURT HITS CALIFORNIA LAW

Rules Against Legislation Taking Jap-Owned Land Bought by Non-Citizen

WASHINGTON, Jan. 19 (AP)—The Supreme court held today that California discriminated unconstitutionally against a citizen of Japanese ancestry when it seized lands which his father, ineligible for citizenship and therefore barred from land ownership, had bought in the son's name.

Without stating directly that it was coming to the court at least partly close to throwing out a provision of the California law. This provision sets up a presumption in such cases that the father acted for his own benefit and was attempting to evade forfeiture of the land.

But the court refused to follow four justices—members of the majority in the 6-3 decision—who wanted to go further. That quartet argued that the whole structure of the State's alien land laws, forbidding ownership of agricultural property by persons who can not become citizens, should be thrown out on the basis of the current case. Those four drew a parallel between the law and the racist theories of America's enemies in World War II.

The law was not specifically upheld today, even in general, and the question could come up again, possibly in future proceedings in today's case.

The actually controlling voices were those of Chief Justice Vinson who wrote the majority opinion, and Justice Frankfurter who went along with him.

Gandhi Weak After Fast; Kashmir Riots Continue

Two Ex-Governors Seek State Post in Louisiana Primary

NEW ORLEANS, Jan. 19 (AP)—Four candidates for Louisiana governor—including two who have held the office before—will put their chances up to some 900,000 Democrats tomorrow.

After a snail campaign that extended to the halls of Congress and involved a \$2,000,000 damage suit, the candidates are Sam Jones and Earl K. Long, the latter a brother of the late Senator Huey P. Long, U. S. representative James H. Morrison, and Appeals Judge Robert F. Kenyon of Morgan.

The balloting is a first Democratic primary. The winner of this—or of a run-off Feb. 17 if no one gets a majority tomorrow—will be guaranteed election in a one-party Louisiana.

The law suit was filed by Long after U. S. Rep. James Domenigaux of Lafayette had said on the floor of Congress that Long received \$20,000 largely in illegal and unreported income while he was Lt. Governor and Governor in 1938 and 1939.

Earl K. Long

NEW DELHI, Jan. 19 (AP)—A physician's report said tonight that Mohandas K. Gandhi was "better but still weak" following his 121-hour fast. The ailing Indian leader had to be carried in an armchair to his evening prayer meeting.

Gandhi expressed his "personal gratitude" for messages which came to him from all over the world after he ended his fast yesterday.

He held to his customary Monday silence but in a written prayer speech declared a "heavy task" still lay ahead of the Hindus, Sikhs and Moslems of both India and Pakistan to achieve peace. He advised "mixing together and the cultivation of close friendship until heart unity is established."

Despite developments in New Delhi the fighting continued in Kashmir state. An Indian defense ministry spokesman said today that Indian troops had been ordered to move from the Pakistan border east of Bhumbar in beleaguered Jammu province. Moslem tribesmen were reported firing on Indian patrols.

Red Blood Cells Must Be Kept Up If You Want To Feel Alive

Thousands Now Regaining Old Time Pep, Vigor and Drive By Releasing Vibrant Energy To Every Muscle, Fibre, Cell

Overwork, undue worry, and lack of certain foods often reduce the red blood strength—and starved, weak, puny blood just hasn't the power to keep up your energy and drive.

Every day every hour—millions of tiny red-blood-cells must pour forth from the marrow of your bones to replace those that are worn-out. A low blood count may affect you in several ways: no appetite, underweight, no energy, a run-down condition, lack of resistance to infection and disease.

To get real relief you must keep up your blood strength. Medical authorities, by analysis of the blood, have by positive proof shown that SSS Tonic is amazingly effective in building up low blood strength in non-organic nutritional anemia. This is due to the SSS Tonic formula which contains special and potent activating ingredients.

Also, SSS Tonic helps you enjoy the food you eat by increasing the gastric digestive juice when it is non-organically too little or scanty—thus the stomach will have little cause to get balky with gas, bloating and give off that sour food taste.

Don't wait! Energize your body with rich, red-blood. Start on SSS Tonic now. As vigorous blood surges throughout your whole body, greater freshness and strength should make you eat better, sleep better, feel better, work better, play better, have a healthy color glow in your skin—firm, fresh, all out, hollow places. Millions of bottles sold. Get a bottle from your drug store. SSS Tonic helps Build Sturdy Health.

Gromyko Raps U. N. Atomic Group

LAKE SUCCESS, Jan. 19 (AP)—Andre A. Gromyko told United Nations atomic energy delegates today they were "wasting time" studying the organization of a world atomic control machine before agreeing on the "important question of principles."

The Soviet delegate spoke at the first meeting this year of the political committee of the U. N. atomic energy commission, which began a study of the administration and financing details of an international control authority.

The Soviet delegate said the delegates were taking up details while they have not yet agreed on the basic questions. The majority continued the discussion, however.

Beware Coughs That Hang On

Cremulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm, and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Cremulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

Chinese Reds Pressing Fight for Shantung Bases

NANKING, Jan. 19 (AP)—The Communists are attempting to regain the Shantung peninsula bases they lost to the government the past Summer and are menacing Weihaiwei, Cnaoyang and other ports with sizable forces, pro-government Chinese press reports said today.

These reports said Weihaiwei had changed hands several times in the past week and that fighting around the town was still "most furious."

(The Communists' radio said Communist forces now held three-fifths of Weihaiwei and had the government troops "punched into a corner.")

How Dr. Edwards' Helps Folks Who Are Constipated

For over 40 years, Dr. F. M. Edwards, a noted Ohio Doctor, successfully relieved patients bothered by constipation and its headaches, lack of pep, dull eyes, sallow skin, with his famous Dr. Edwards' Olive Tablets.

WHAT IS MANAGEMENT?

ORGANIZING PLANNING FINANCING SUPERVISION

MANAGEMENT, in the telephone business, is essentially a word. It defines the duties and responsibilities of telephone men and telephone women who have shown by their abilities that they can undertake them.

Those who supervise the organizing, planning, financing, and directing of this business, in other words, are simply telephone employees at various stages in their careers.

That's the way things are done in the telephone business. Any employee who shows the qualities of leadership will find that those qualities are bound to be recognized.

This opportunity for advancement is a natural incentive to good work, but it is also your assurance of good telephone service at low cost. For the telephone business is complex, and the special skills and arts that are required to run it are learned only on the firing line of experience.

Tomorrow's leaders in this business are today working with and under the direction of yesterday's employees.

Compare any car against the KAISER or the FRAZER!

—You'll find the Greatest Values still come from Willow Run!

Make a list of the things you want most in your new car! Then look first at the Kaiser or the Frazer! After that, look at any car on the market—and we'll welcome you back!

We speak so confidently because all our thousands of owners were shoppers before they became buyers. Every one of them started out with a strong prejudice in favor of some other make of car—usually one they had driven previously.

Why don't you discover right now what these value-conscious Kaiser and Frazer owners found? All it takes is a good look and then a revealing five-mile drive! At the right are a few of the reasons why a Kaiser or a Frazer is likely to be your final choice—regardless of how many other cars you include in your look and drive comparisons!

UNDISPUTED STYLE LEADERSHIP!

You can't help but recognize the Kaiser and the Frazer as the pioneers of the new style trend. Stream-Thru fenders keynote the ultra-modern, functional design other cars attempt to follow.

EXCEPTIONAL PERFORMANCE!

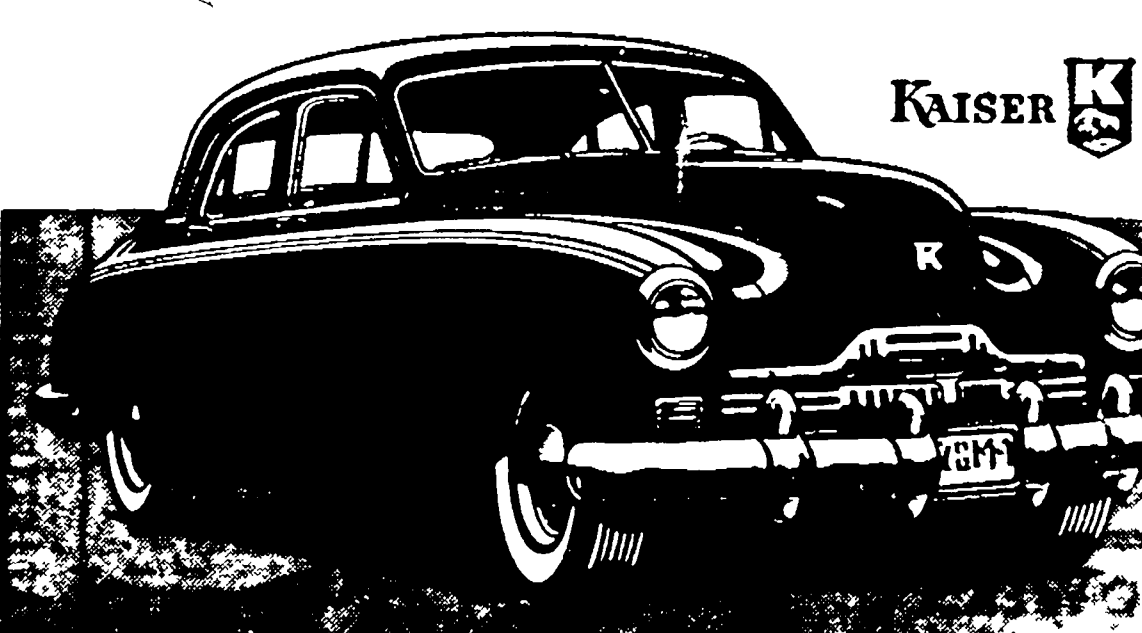

"Step on it" and the speedometer needle snaps to attention like an exclamation point! A new horsepower-to-weight ratio means uncommon sprightliness and thrust! Remarkable economy!

THE RIDE YOU NEVER FORGET!

K-F engineers created the Gliding Ride by redistributing mass and load—and by cradling both seats between front and rear wheels. You will thrill to a wonderful new ride sensation!

MOST FOR YOUR MONEY!

K-F postwar design protects your investment. Styling that stays ahead means low-cost depreciation. Advanced chassis construction means trouble-free long life. Why buy anything less?

HEATIPS

From all indications many people will be compelled to convert back to coal.

These are quotations from very recent news items—

"The American Oil Institute is now spending \$1,800,000 in a powerful counter-sales campaign to persuade people not to buy oil."

"Despite the critical situation oil burner manufacturers sold 80,000 burners in November—an all time high—and even while Oil Company of was unloading surplus oil burners on the public, it was quietly converting its own Plant from oil to coal."

"Oil for the home will be even less plentiful."

Conversions back to coal will come sooner or later, be prepared, look around for a good coal dealer, one who can take care of you, check your present equipment and see if it can be converted, and look into some of the automatic coal burning equipment. Above all think it over before it is too late. HEATIPS never gave you a bad steer.

FAMOUS READING ANTHRACITE, the coal with the RED spots can be the solution to more comfort, more economy and a more pleasant home.

Haines-Williams Nuptial Rites Performed Here

Simplicity marked the wedding on Saturday afternoon in the Trinity Reformed church when Mrs. Janice Haines, of 237 High street, daughter of Mr. and Mrs. George Leh, of 41 King street, became the bride of Mr. Charles Williams, 333 Rosedale drive.

The Rev. John B. Frantz, pastor, performed the ceremony.

Attired in a light blue dress with a rhinestone trimmed neckline, the bride wore a matching hat and accessories. Her corsage was of white roses.

Mrs. Shirley Freese, a sister of the bride, was her only attendant. She wore a royal blue dress with black accessories and a corsage of pink roses.

Duties of best man were performed by Mr. Leonard Hillman.

Following the wedding, a reception was held at the Elks' home.

The couple are on a honeymoon trip in New York City. For traveling Mrs. Williams chose a glen gray plaid suit with black accessories.

\$108,000 Budget Presented to Council; Group Kills Pay Plan for Employees

A budget representing an increase of \$108,000 over 1947 amounts actually spent was presented to borough council last night for consideration.

Following the reading of the budget, the killing of any possibility of pay for councilmen this year highlighted the session. With all members present and voting, the new council went on record unanimously refusing to accept pay for the ensuing year.

A short summary of expenses for 1948 follows, together with a comparison of the amounts actually spent in 1947:

	1948	1947 Actual
Borough		
Administration	\$34,063.60	\$29,127.22
Water department	\$7,750.00	\$23,781.40
Sinking fund	\$4,920.00	\$3,216.25
Highway	\$5,061.10	\$1,389.86
Total	\$51,794.70	\$57,514.73

The budget will be made on a real estate assessed valuation of approximately \$3,783,790 plus an occupational total assessed valuation of \$394,825, making the total assessed valuation over \$4,000,000.

It was reported reliably that an initial survey for a new highway from Shanesville to the Boyertown borough line is under way. The informant said that State Highway department engineers have been ordered to get plans in to the department by March or April of this year.

If actually constructed, the new highway which will take the place of the present Route 73 will represent a major improvement over the now-existing high, narrow, black-top road.

Council's killing of the salary issue, approval of which would have meant \$20 a month per man settled.

Divorced

Singer Marjorie Lane, (above) wife of actor Brian Donlevy, was divorced from the film star yesterday in Los Angeles. The vocalist, who once said her husband tried to run her down with a car, did not contest the divorce action and said she was satisfied with the \$12,000 settlement.

Speech Training Demonstration Given

An overflow crowd of teachers and school administrators saw Glady B. Fish, of the department of public instruction in Pennsylvania, conduct a laboratory session on speech training yesterday at 3 p. m. in the high school.

Miss Fish used the first grade of Washington school and the fifth grade of Lincoln school for her demonstration. Teachers are Bertha M. Grabert and Mrs. Naomi H. Wolfgang.

Representatives of eight school districts in addition to Boyertown attended the clinic. Miss Fish was introduced by Elmira E. Mauger, director of special education in Berks county. William B. Herbin, assistant county superintendent, was also present.

Because of the demonstration, high school students were dismissed one-half hour earlier than usual, at 2:45 p. m. George B. Swinehart, supervising principal, was host for the event. Local high school teachers to attend were headed by the high school principal, Lawrence E. Grim. All elementary teachers in the borough attended.

Other officers selected were Mrs. Nora Komig, vice president; Mrs. Helen Mast, financial secretary, and Mrs. Mary Emery, treasurer, all of whom were re-elected. Mrs. Lillian Fisher was elected to the position of recording secretary. Mrs. Komig was also named pianist and Mrs. Dorothy Blank is song leader.

The auxiliary members voted \$15 to the Montgomery county March of Dimes project and pledged \$50 to the Gilbertville Memorial chapel.

The date for the annual turkey banquet was set for Tuesday, Feb. 10, at 7:30 p. m. in the fire hall.

The group's next meeting will be held Thursday, Feb. 5, at 8 p. m. in the firehouse. A covered dish social will follow the business session.

Says Man Has Strange Powers That Work While He Sleeps

A strange man in Los Angeles, known as "The Voice of Two Worlds," reveals the story of a remarkable system that often leads to improvement in power of mind, achievement of brilliant business and professional success and new happiness. Many report improvement in health. Others tell of increased bodily strength, magnetic personality, courage and poise.

The man, a well-known explorer and geographer, tells how he found these strange methods in far-off and mysterious Tibet, often called the land of miracles by the few travelers permitted to visit it. He discloses how he learned rare wisdom and long-hidden practices, closely guarded for three thousand years by the sages, which enabled many to perform amazing feats. He maintains that these immense powers are latent in all of us, and that methods for using them are now simplified so that they can be used by almost any person with ordinary intelligence.

He maintains that man, instead of being limited by a one-man power-mind, has within him the mind-power of a thousand men or more as well as the energy-power of the universe which can be used in his daily affairs. He states that this sleeping giant of mind-power, when awakened, can make man capable of surprising accomplishments, from the prolonging of youth to success in many fields. Strangely, he says that this power works best while we sleep, when proper methods are used.

The author states the time has come for this long-hidden system to be disclosed to the Western world, and offers to send his amazing 9000-word treatise which reveals many startling results—to readers of this paper, free of cost or obligation. For your free copy, address the Institute of Mentalphysics, 218 South Hobart Blvd., Dept. 561-E, Los Angeles 4, Calif. Readers are urged to write promptly, as only a limited number of the free treatises have been printed.

Life Among the Kentucky Mountaineers To Be Described at Presbyterian Meeting

A vivid description of the people living in the isolated sections of the Kentucky mountains is the gist of a talk to be given on tomorrow night in the assembly room of the Presbyterian church.

The talk will be given by Mrs. F. Campbell Symonds, of New York City at a joint meeting of the Woman's association and the Brotherhood of the church.

Mrs. Symonds, whose husband is a medical missionary, spent 10 years with these people in the Kentucky mountains and is prepared to describe their living conditions and hardships as she saw them.

Prior to the talk by the guest speaker, a covered dish supper will be held at 6:30 o'clock. Members were asked to bring the vegetables as the meat, dessert, bread and coffee will be served.

Miss Beverly Peterman, vocalist, will sing several selections.

Mrs. C. S. Stouffer is in charge of the program. Her aides are Mrs. Reynolds Lunderman, co-chairman, Mrs. Horace Ludwig, Mrs. L. A. Moore, Mrs. George Gray, Mrs. Harry K. Marcov Jr., and Mrs. A. Burtis Hallock Jr.

The social arrangements were made by Mrs. Frederick Jenkins Jr. Her aides are Mrs. Hallock in charge of the dining room and Mrs. Abraham Buckwalter in charge of the food.

Aides under Mrs. Hallock are Mrs. Horace Root, Mrs. Victor J. Roberts, Mrs. Horace Skean, Mrs. Buckwalter's aides are Mrs. Albert Brown, Miss Jeanne Brown, Mrs. Richard Robertson, Mrs. Edgar Dannehower and Mrs. Stanley Prizer.

Mrs. Hugh McDevitt, president of the association, is general chairman of the meeting.

Mrs. R. H. Spare Jr. Is Re-elected Head Of Girl Scout Council

Mrs. Ralph H. Spare Jr. was re-elected commissioner last night at a meeting of the Pottstown Girl Scout council in the YWCA. Members of the nominating committee who presented the slate were Mrs. Paul Z. Hoffman, Miss Hazel Sotter and Mrs. Harry Guest.

Other members chosen for a one-year term were Mrs. Adam Saylor, deputy, Mrs. Arthur K. Switzer, secretary, Miss Dorothy Yohn, treasurer, and Mrs. Guest, registrar.

Persons elected to serve on the council for a period of three years are Mrs. Edward Pennypacker, Mrs. H. G. Neuenesch, Mrs. Albert Erb, Mrs. Ralph Richards, Mrs. Stoney Pollock, Mrs. Saylor, Mrs. Howard Swavely and Mrs. Eugene Smith.

Leaders for the new troops to be formed at Trinity Reformed church were approved by the council. The new leaders are Mrs. Opal Haury and Mrs. Sara Wanger.

Mrs. Spare reported on recent meetings in Philadelphia and Delaware county, and she announced that a meeting will be held next Tuesday in Norristown. These meetings consist of discussions on program planning.

It was announced that Mrs. Eleanor Buttle leader of Troop 1, is forming a Mariner patrol.

The next council meeting will be held Feb. 16 in the Girl Scout room of the YWCA.

Other members present were Mrs. William Walker, Mrs. Carl F. Troutman, Mrs. Henry T. Schneider, Mrs. C. S. Stouffer, Miss Helen V. Purcell and Mrs. Russell Shelby.

Mrs. John Longaker Marks 25th Year As Church Vocalist

Tribute was paid Mrs. John H. Longaker, 500 North Franklin street, by the Lutheran Church of the Transfiguration during the Sunday morning service that marked her 25th anniversary as soprano soloist.

Mrs. Longaker sang "Thy Life Was Given for Me," the selection she chose as her last solo 25 years ago.

The Rev. Theodore L. Fischer, pastor, expressed the appreciation of the congregation for her "devoted service."

After the service, a reception was held in the Sunday school room where Mr. Clarence E. Smith, chairman of the music committee, presented her with two monogrammed silver compotes "from the congregation" and Mrs. Kenneth Nichols presenting her with a handbag from the choir.

Miss Margaret DeFenderfer also was honored at the church for completing four and a half years as volunteer parish secretary, as the Rev. Fischer presented her with a monogrammed traveling bag from the congregation.

A re-organization meeting of the vestry was held after the church service and the following officers for 1948 were elected: Mr. Fred H. Kelly, president; Mr. Charles J. Custer, vice president; Richard E. Scamman, secretary; Mr. Richard C. Overnor, financial secretary; Mr. Smith, treasurer, and Mr. Harold B. Sloan, benevolence treasurer.

State-Wide Search Fails to Bring Clue Of Missing Pianist

LOS ANGELES, Jan. 19 (AP)—Search of near state-wide proportions failed today to shed light on the whereabouts of Jacqueline Horner, 14-year-old pianist-actress who disappeared from her Hollywood home the past Tuesday.

While local authorities ran into dead ends and her mother, Mrs. Clara Horner, said "I'm convinced Jackie has been kidnapped" peace officers throughout California were on the lookout for the girl.

In Fresno county, sheriff's officers were trying to locate Mrs. Nellie Edwards, a friend who, it was believed, the girl might visit. Dep. Sheriff Hubert A. News reported finding Mrs. Edwards' brother but said he was unable to give the sister's whereabouts.

San Francisco police joined the search after a hotel manager said two girls registered Thursday night as sisters from New York, and the following night a sailor asked at the desk for a "Miss Horner." Officers made no comment on the report.

A bus driver has told authorities that the girl was his passenger as far as Modesto, north of Fresno in California's central valley. But his relief driver could not recall taking her further. Mrs. Edwards, it was reported, had been living at Modesto.

Jackie left home after an argument with her mother, presumably concerned for the studio of her private tutor.

A man who promised to spend \$50,000 to bring the girl concert fame also was being sought for questioning in the Fresno area, local police said, but admitted there is nothing definite to link him with the girl's disappearance.

Jackie is the daughter of George Wright Horner, of Buffalo, N. Y.

Man Kills Wife, Sister Then Commits Suicide

PORT JERVIS N. Y., Jan. 19 (AP)—Police Chief Steward D. Rippon said today that Lester Davis, 29, a laborer, shot and killed his estranged wife, her sister and himself after his wife objected to his attempts to take her sister.

Rippon said the tragedy occurred at noon while the four children of the Davis family were having lunch. He said that Davis had been separated from his wife, Marjorie, 30, and that he came home suddenly and asked her sister, Teresa Ferraro, 23, to go out with him.

Slayer Loses Appeal From Death Sentence

PHILADELPHIA, Jan. 19 (AP)—Edward Bough, 33, under sentence of death for the slaying of Philadelphia policeman Cecil Ingano, today lost his final court battle to escape the electric chair.

The State Supreme court the past Jan. 5 denied his petition to reduce the sentence to life imprisonment and today rejected a plea for argument of the appeal.

Gov. James H. Duff will receive a record of today's action and set date of execution.

NORWAY BUDGET ANNOUNCED

OSLO, Norway, Jan. 19 (AP)—Finance Minister Olav Mønstad announced a budget of 2,400,000,000 kroner (about \$500,000,000) for Norway in 1948-49, including 800,000,000 kroner (about \$121,000,000) for price subsidies.

Members of Grand Jury Sworn in by Judge Corson

By Staff Correspondent
NORRISTOWN, Jan. 19—The 16-member February grand jury, comprised of 11 women and five men, was sworn in today by Judge Corson. Joseph B. Thomas, retired, of Norristown, was chosen foreman, and Doris Harvey, housewife, of Glenside, secretary.

Bills of indictment in approximately 90 cases will be presented to the jury for deliberation this week by District Attorney E. Arnold Forrest and his first assistant, J. Stroud Weber.

Among the jurors excused was John Naylor, Stowe.

Authorities Hold Two In Death of Inmate

BOONVILLE, Mo., Jan. 19 (AP)—A Missouri State training school inmate was strangled because he called another youth a liar, officers said today as they prepared to file first degree murder charges against two cellmates.

Roland Barton, 15, was found choked to death on his bunk in a segregation cell at the institution last night. In the same cell were J. D. Hicks, 16, and Robert Oswald, 14, the three had participated with seven other lads in an escape Saturday night, but were recaptured within a few hours.

After a coroner's jury held late today that Barton died at the hands of Hicks and Oswald, Prosecuting Attorney Lane Harlan said he would file first degree murder charges against both of them.

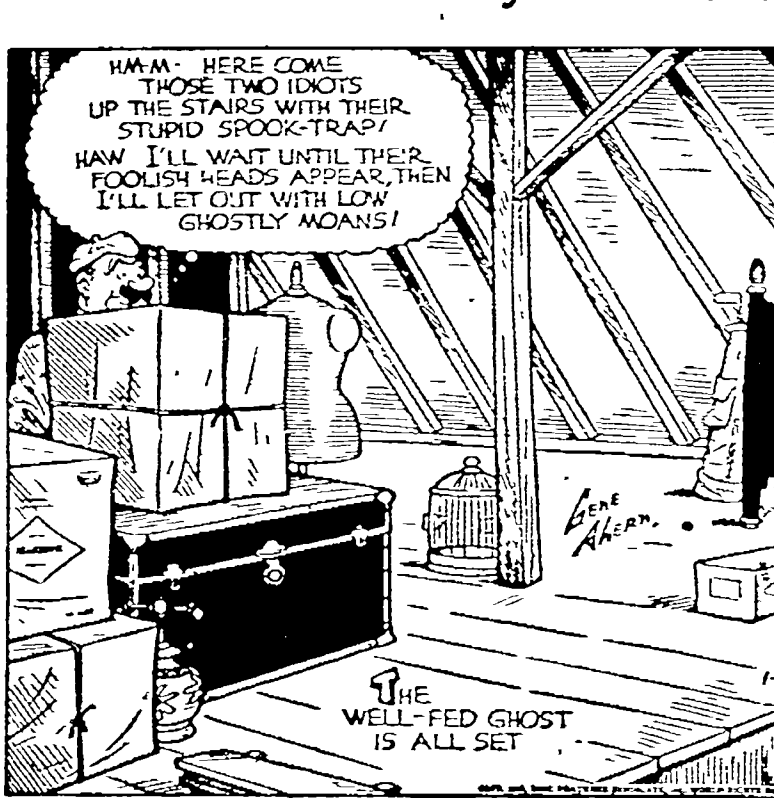

Anderson Asks Help For Saving Grain

WASHINGTON, Jan. 19 (AP)—Secretary Anderson today invited representatives of the grain, livestock and poultry industries to meet with Agriculture department officials Jan. 27-28 to discuss grain saving measures for the months ahead.

Aides of the secretary said greater saving in domestic use of cereals must be made if the government's grain export goal is to be reached. Invitations went specifically to representatives of bakers, flour millers, corn processors, mixed feed manufacturers, meat packers and poultry raising industries.

Trojans Ready for Test at Glen Nor

GOOD TO START SAME LINEUP IN NON-LOOP TILT

Blue and White Seeks
Revenge for 47-18 Loss
Suffered the Past Year

After escaping safely from two Indian wars on their home court the past week, the Trojans of Pottstown High travel tonight to face Glen Nor High's basketballers in a non-league affair.

A preliminary contest between the junior varsity teams of the two schools is scheduled for 7:15 o'clock. The varsity contest will get underway around 8:30 o'clock.

The Trojans saw their season's record fall to five wins and four losses the past week when West Chester and Coatesville came to Pottstown and scored decisive victories over Coach Ed Goodie's charges.

Tonight's game will only be the second time the Trojans have faced Glen Nor on the court. The past year at Pottstown, the Trojans dropped a 47-18 decision to Glen Nor.

If Good doesn't change his mind about his starting team, Stan Stolar and Don Ziegler will start at forward with Brower Yerger stationed at his regular center position. The guards will be Bobby Mauger and Gene Fecak.

In the preliminary contest, Coach Bill McCabe's Baby Trojans will go after their seventh win of the season. McCabe announced last night he was undecided about a starting team.

Warwick Wins League Contest By 61-19 Score

With Bill Baver giving a brilliant exhibition of basketball, Warwick High school defeated Cochranville High by a 61-19 score last night in a Bi-County league game played at Warwick.

Baver, a sophomore center, hit the nets for 12 field goals and five fouls for a 29-point total, to tie Royersford High's Johnny Fearheller for the high scoring mark in the Pottstown area this year.

GOLDEN CUB FIVE TRAVELS TO BATTLE DOWNTOWN FOE

After dividing a pair of games on their home court, the Golden Cubs of Pottstown Junior High travel to Downingtown this afternoon to try their luck on a foreign court. In their only encounter away from home, the Cubs dropped a decision to Stewart of Norristown. The Cubs ended a two-game losing streak the past Friday afternoon when they defeated Coatesville Junior High by a 37-20 score at the North Franklin street palestra, and a victory today can even the season's record for Coach Gene Kaufer's basketballers.

Kaufer announced last night that he intends to use the same lineup against Downingtown today that played most of the game against Coatesville the past week.

If this holds true, Sam Green and Lou Tezzl will be stationed at the forward positions with Pete Stepike starting at center. The guards will probably be Dick and Dave Ricketts.

The varsity tilt will get underway at 3:15 o'clock with the junior varsity contest scheduled to be played after the main event.

Cardinales Make Debut Here Tonight

The Pottstown Cardinales will make their basketball debut in Pottstown tonight when they battle the St. John's girls of Reading in the first game of a doubleheader at the Pottstown Junior High palestra. Coach Verna Mentzer announced last night that she was still undecided about a starting team for tonight's game.

In the main event, the Pottstown Amvets will battle the St. John's Falcons of Reading coached by Johnny Banjo, former Pottstown High star athlete. The first game will start at 7:15 o'clock.

Roth's Top Fleischmann's, 93-32; Collegians Drop 50-45 Loop Tilt

Hitting the cords for 41 goals from scrimmage, Roth's basketballers of Pottstown rolled to an impressive 93-32 victory over Fleischmann's in the second game of a City Basketball league doubleheader at the Pottstown Junior High palestra.

BOYERTOWN MEETS MOHNTON FIVE ON HOME COURT

After losing two straight games, Boyertown High's cagers hope to get back on the winning side of the world tonight when they play host to Mohnton High in a non-league cage contest at Boyertown.

The Bears will be looking for their fourth win of the season, having won only one in their last six appearances on the court. Of the five defeats handed the Bears to date, four have been at the hands of teams in the Northern division of the Berks County league.

The Bears haven't tasted the fruits of victory since they turned back Oler High's basketballers two weeks ago, but Coach Bob Fleming announced last night that he intends to use his regular lineup tonight.

This means Dick Hallman and Jake Hartline will be stationed at forward when the game starts underway with Henry Johnson at center. The guards will probably be Freddie Smith and Dick Neiman.

A preliminary game between the junior varsity teams of the two schools will precede the varsity tussle at 7:15 o'clock.

St. Peter's Lose To First Methodist In SS League Tilt

St. Peter's got off to a good start, taking a 14-7 lead in the first period of the First Methodist came back strong in the second quarter to net 10 points, but St. Peter's managed to hold a 20-17 advantage at intermission.

In the third period, First Methodist slowly pulled up on St. Peter's, but the latter was still leading by one point as the fourth period opened.

First Methodist then struck back to go ahead midway through the fourth period and managed to stay in front the rest of the way.

Jack Baird led the First Methodist aggregation with 15 points via six field goals and three fouls. Paul Setko, however, took scoring honors with 18 points on nine field goals.

Martz Leads Scorers In Middle Atlantic Loop

Bobby Martz, former Pottstown High basketball captain, is currently leading the Middle Atlantic conference in scoring. The little Pennsylvania Military college guard has a boded 58 points in the first three league games this year for a nine-point lead over his nearest opponent, Sol Tollin, of Haverford.

Martz, in his last appearance on the court the past Saturday, scored 24 points against Haverford via 11 field goals and two fouls. PMC, however, lost the game, 59-53. A week ago, the former Trojan cager tallied 19 markers against Swarthmore in another league game.

While in Pottstown High, Martz missed the local scoring record when he tabbed 24 points against Allentown High. Claude Reinhart holds the Trojan mark with 25 points.

The first game saw Maria Assunta annex its third straight league win to continue its climb up the ladder in the standings. Now resting in a tie for fourth place, Maria Assunta takes sole possession of fourth place with victory over St. John's Monday night.

Maria Assunta needed only a big second period to clinch a victory over the Collegians. After taking a 19-16 advantage in the first period, the victors rallied for 11 markers in the second period for a 30-20 lead at intermission. The Collegians made it 37-33 after three periods, but Maria Assunta played on even terms with Brownback's in the final 10 minutes to preserve the victory.

Tomorrow at the North Franklin street palestra, the Amvets meet the Pottstown Tool and Engineering company while AAU 644 battles Transfiguration AAU.

Lumberjacks Lose To Stars, 16-14; East End Wins

The Stars, trailing by nine points at halftime, came back strong in the second half to eke out a 16-14 win over the Lumberjacks in a Senior Recreation league game last night on the Pottstown High court. Dick Hatfield's goal and foul toss in the final minute iced the decision.

In another league tilt last night, East End tied the Stars for first place with two wins and no defeats by turning back Pine Forge by a 30-13 score.

Ninth Ward had little trouble in handing Maria Assunta a 28-6 setback in the third league game played last night.

PIRATES MEET ROYERSFORD IN NON-LOOP TILT

Spring City Quintet
Seeks First Victory;
Eagles Are Favored

Still looking for their first victory, the Pirates of Spring City High play host to Royersford High tonight in the first of a two game series that will settle the championship of the Twin Boroughs.

Tonight's contest between the Pirates and the Eagles, currently tied for first place in the Upper Montco league, is a non-league affair, scheduled to get underway around 8:30 o'clock. A preliminary game is scheduled for 7:15 o'clock.

The Pirates have lost to strong opponents every time they have appeared on the court. Berwyn High's cagers defeated Spring City twice in early season games and Upper Merion and Conshohocken followed with impressive wins over the Pirates.

Royersford's Eagles will be heavy favorites when they take to the floor tonight against the Pirates. The Eagles lost to Boyertown and Phoenixville in their first two tests this year but struck back to take four consecutive victories in the Upper Montco league.

Tonight's game with Spring City will be the final tuneup for the Eagles before they meet Collegeville High's Colonels Friday night in a battle for first place in the Upper Montco league.

Both coaches will probably stick to their same starting lineups, although the mentors may change their minds and decide to use more underclassmen in a move to give the younger boys some experience.

For Spring City, Ray Davis and Art Stauffer will probably start at the forward posts with Elmer Davis at center. At guard, Coach Gene Croff will use Jack Ludwick and Jim Rentschler.

Coach Vince Bonkoski will start Tiros and Ace Miller at forwards against the Pirates with high-scoring Johnny Fearheller at center. Kelter and Kolp will probably be at the guard slots.

GERRY HARVER ENTERED
NEW YORK, Jan. 19 (P)—Gerald Karver of Penn State, National AAU 1500-meter champion, was entered today in the Wanamaker mile, feature event of the 41st Millrose indoor track and field games scheduled at Madison Square Garden, Jan. 31.

Life of Riley to Life of Ruth

William Bendix, screen comic who plays the lead role in the popular radio show, "The Life of Riley," soon will play the lead in a movie about the life of Babe Ruth. Bendix put on his Dodgers' uniform in Hollywood to give the announcement the baseball touch. He will change it for a Yankees' uniform when casting starts in March.

Boyerdown VFW Drops League Tilt, 57-52

Rallying for 23 points in the fourth period, Kutztown turned the tables on the Boyertown VFW last night by a 57-52 score in a Berks County Recreation league game played at Boyertown. In the preliminary game, Boyertown's B team defeated Kutztown, 38-36.

The Los Angeles Dons, who finished their All-America season with co-coaches after the resignation of Dud Deegroot, still have not signed their 1948 skipper. Neither have the Chicago Rockets whose coach, Jim Crowley, quit the game Dec. 7.

Every coaching move produced another hole to be filled in a seemingly endless chain reaction. No sooner had Washington plugged the gap left by Ralph (Pete) Welch by signing Howie Odell of Yale than the Elis were forming a vacancy committee.

The resignation, due to poor health, of Dick Harlow at Harvard left a second opening in the Big Three, where Charley Caldwell, a two-year veteran at Princeton, is the senior member of the firm.

Navy's decision to hire a civilian and the advancement of Capt. Tom Hamilton to the rank of director of athletics opened up a prize prestige position.

HARRY GILMER SIGNS CONTRACT WITH REDSKINS

Alabama's Star Passer
Turns Down Offer
From Brooklyn Club

WASHINGTON, Jan. 19 (P)—The National Football league's greatest passing team today hired one of the nation's finest passers.

Harry Gilmer, a four - season standout at the University of Alabama, signed a two-year contract with the Washington Redskins.

Everyone was quite sure about how much cash Gilmer will get.

But he said he had agreed to a "lot less money" than was offered him by the Brooklyn Dodgers of the rival All-American conference.

He signed with the Redskins, Gilmer said, because he thinks in the long run the payoff will be greater.

The Redskins use the T-formation, and Gilmer thinks a quarterback will last longer in that system.

Certainly the Redskins have a potent argument to prove that point. Their present quarterback, Sammy Baugh, was 33 the past year, and yet was good enough to break almost every available passing record.

So now all Gilmer has to do is to beat out of a job the man who probably is the best passer in the business.

But he doesn't seem too worried. "I think Baugh can help me," said Gilmer, "and maybe when he's ready to step down I'll be ready to take over."

Gilmer is 21, a six footer who weighs 170 pounds, is married and has a two-month old daughter.

TROJANS LOSE TO LANCASTER IN SWIMMING

Allen and McDevitt
Only Winners for Locals;
Visitors Win Five Events

Pottstown High's swimming team dropped its fourth meet of the season yesterday afternoon, bowing to a strong Lancaster High aggregation by a 46-20 score in the local YMCA pool.

Lancaster, in winning, took five firsts out of the eight events added five seconds and finished third four times. The Trojans took three events, took one second place and finished third twice.

Tommy Allen and Jimmy McDevitt turned in the only victories for the Trojans. Allen won two free style events and McDevitt took the 100-yard breast stroke race.

Summary:

50-yard Free Style—Won by Allen, P.; second Gimmauser, L.; third, Zelinski, L. Time—20.3 seconds.

Students to Attend Woman's Club Meet

Girls of the junior and senior classes of Royersford high school will be guests of the Woman's club of Royersford at the January meeting of the clubwomen tomorrow afternoon. The business session will convene at 2 o'clock.

The Rev. Charles W. Jared, pastor of Pughtown Baptist church, will speak on psychoanalysis. Hostesses will be Mrs. Carl H. Heidenbrand and Mrs. Arthur Wolfe.

Phoenixville Pastor Discusses Bible Theme

Combined Christian Endeavor societies of Spring City First Evangelical Reformed and Hungarian Reformed churches met in the Hungarian Reformed church, Phoenixville, Sunday night.

The Rev. Tibor Csiksz, pastor of the Hungarian Reformed church, led a discussion on the Bible. Lee House, extension superintendent of the North branch CE and first vice president of Chester county CE, extended an invitation to the society to attend a county dinner at Coatesville Jan. 31.

The Rev. Garnet O. Adams, pastor of the Spring City church, offered the benediction after the meeting. Refreshments were served.

Firemen Delay Action On New Organization

Plans for organizing a Seven-County Firemen's association were deferred another month at a meeting of the group in Royersford firehouse Saturday afternoon.

Temporary officers were retained in office, and a membership committee and by-laws committee were appointed. It was felt reports should be heard from these committees before launching the organization.

Temporary officers are George W. Lee, Royersford, chairman; Henry Gerner, Fogelsville, secretary.

William Muldrew, president of Montgomery county Firemen's association, and Frank Rowe, ex-battalion chief of Philadelphia Fire department were among those attending the meeting.

Boy Scouts Selected For Valley Forge Camp

Troop 1 Royersford Boy Scouts met in the Reformed church social hall last night.

Scoutmaster George Clemens, who opened the meeting, gave instructions on knife sharpening and wood carving and nominated boys to attend camp at Valley Forge Feb. 20 and 21.

Scouts nominated were Gerald Hoff, patrol leader, and Robert Bauer, senior patrol leader.

Continuing their membership campaign, the Scouts urged that all boys wishing to join the troop should report at the Reformed church Monday nights at 7 o'clock, or see either of the following Scouts, Gerald Hoff, Robert Bauer, Ernest Kline or Robert Kulp.

Hospital Notes

Phoenixville hospital admissions: Mrs. Otis James, Royersford; Mrs. Franklin P. Wach and Mrs. Ralph Marshall, Spring City.

Mrs. Linus Adams, Royersford, and Howard Hartman, Spring City, were discharged.

Five New Members Elected to Council Of St. James Church

Election of five new members of the council of St. James Lutheran church and an address by an uncle of the pastor marked last night's congregation meeting in the church.

The five men elected for three-year terms by the 120 members attending were Rayel Gaschwind, J. Wayne Knause, Burton Jones, Robert Reber and Robert Weller. They will be installed at Sunday's 10:30 o'clock morning service.

Dr. Edward T. Horn, acting head of the department of religion at Muhlenberg college, Allentown, and uncle of the pastor, the Rev. Edward S. Horn, spoke on "Shadows in the World Today."

Drawing illustrations of his points from his experiences as a missionary in Japan for 38 years, Dr. Horn urged the congregation not to let the present "dark picture" for world unity prevent them from working vigorously toward that objective.

The Doehrer Male chorus sang under the direction of Miss Margaretta Reid, Pottstown public school teacher, while group singing was led by Jonathan Pink, with Mrs. Lewis Maraffie at the piano.

Reports were made by William H. Reinfunder, treasurer; Robert G. Weller, Sunday school; Miss Elizabeth Marquet, Ladies' Aid society; Mrs. Marie Will, Women's Missionary society; Fortia Tyson, for the First Kippie circle; Mrs. William J. Boden, Kippie class; Elmer Feely, Brotherhood class; Douglas Waters, Luther League; Paul Frick, chancel choir; Elizabeth Mayer, Building fund; Edward Jameson, Boy Scouts; and the Rev. Horn.

marks against the office "in general."

After she had waded into the borough administration for employing a catcher, Burgess William A. Griffith was introduced.

"We are not so happy ourselves about having a dog-catcher," the Burgess declared, "but up until now we had no other alternative."

He went on to say, "I'm sure that Pottstown will go the limit in co-operating with you."

Kilburn later drew from the group a list of suggestions for the local SPCA branch to set as its first goal. Among them were: a Tag Day to raise funds and increase the membership, with the branch securing the co-operation of Boy Scouts and Pottstown students; purchase of a truck in which to convey injured or stray animals; and erection of a gas chamber in the shelter at the home of Mrs. Walter Daydheiser, Halfway House.

Mrs. Davidheiser reported that the shelter has taken care of 34 dogs and three cats during the two months it has operated.

Mrs. Dora E. Sedey, Ambler, president of the Montgomery county SPCA, and Harold A. Heilman, Norristown, who opened the meeting, agreed that the growth of the Pottstown branch has been remarkable, and that there is a great need for such an organization here.

Members of the local committee voted to hold its first meeting as soon as possible, so as to get a program underway in time to complete it before April, when a permanent board will be chosen.

Members of the group, in addition to Kilburn and Mrs. Davidheiser, include Mrs. J. Robert Gray, vice chairman; Mrs. V. J. Roberts, secretary; H. Victor Ayres, treasurer, and Mrs. John Prince, Miss Florence Wien, Miss Helen Young, Mrs. Nina McPhree, Mrs. Mary Kinzinger and Dr. A. T. Grayev.

event. They were introduced by Capt. Cox.

The Tommy Tucker Singers, composed of Harry Sowers, Walter Jackson, Raymond Russell and Mark Henricks, accompanied by Jackson's daughter, Lucille, sang five numbers during the evening.

Mrs. A. A. Gallo, president of the auxiliary, introduced her officers and committee needs before the speaker arose.

The Salvation Army hymn, "Onward Christian Soldiers," ended the program.

NEURITIS PAINS LIKE AN ELECTRIC SHOCK TO A LOCAL WOMAN

Just recently a middle-aged woman of this vicinity told us that she had suffered 3 years of torture with neuritis pains. She said she felt like a sharp knife was being gouged into her muscles, and sometimes these pains would strike her like an electric shock. She said one could hardly stand it. Today this lady is again enjoying life and she says the change is due to taking TRU-AID. Her pains are gone now. No more feeling like a knife gouged into her muscles. She is entirely free of her misery, thanks to this remarkable compound.

TRU-AID is the new liquid formula containing three valuable medical ingredients. These Three Great Medicines, all blended into one, go right to the very cause of rheumatic and neuritic aches and pains. Miserable people soon feel different all over. So don't go on suffering! Get TRU-AID. Sold by All Drug Stores here in Pottstown.

DANIEL L. FRITZ

are going to miss it. I had to close it when my husband went to the hospital, because we never had anyone working there for us."

Mr. Fritz went into politics early in the century, serving in council from 1906-1913, when he became Burgess. He served on many committees and among his most important positions was the chairmanship of the highway committee.

The Democratic Burgess indulged in no spectacular political moves during his term of office. One of his most consistent points was an insistence on retention of the current tax rate, while two of his other stances were for improvement in the garbage collection system and for equalization of the assessments on real estate.

Although never active in sports, Mr. Fritz managed the old Pottstown Baseball club, more than 50 years ago. Among his team officials was Clymer Missimer, umpire.

He was a member of the Trinity Reformed church since his early days in Pottstown. "He never held a church office," his family asserted, "he was just a contributor."

Mr. Fritz' only survivors, in addition to his wife, are a daughter, Bessie E., wife of Thomas J. Strouse, 72 North Evans street, and a grandson, Fritz Strouse, at that address.

In addition to being a charter member and past president of Pottstown Nest 1393, Order of Owls, the one-time Burgess was a member of Pottstown Lodge 814, BPOE Elks, Pottstown Aerie 626, Fraternal Order of Eagles and a past president; Pottstown Lodge 369, Loyal Order of Moose; Pottstown Foresters, and West End and Philadelphia Steam Fire Engine companies.

Interment will be in Mt. Zion cemetery, but funeral arrangements are not complete.

rol," introduced their bill to extend controls until June 30, 1949. It also proposes to restore price ceilings on residential hotel accommodations. An Ives-Baldwin statement said extension "is necessary to prevent unbridled bidding for needed and limited living quarters."

1. Senator Taft, a candidate for the Republican presidential nomination, tore into Mr. Truman's anti-inflation plans in a speech before the American public relations association.

Mr. Truman's request for power to put on rationing and price controls where he thinks they are needed to fight inflation is "fundamentally the wrong approach," said Taft.

"You increase demand by lowering prices, and you decrease supply," he argued. "Perhaps you can do it for a few months, but in the long run, the result is inflation."

He said that price ceilings and consumer rationing "won't work in time of peace in this country." Specifically, he said that if meat controls are restored:

"You would have an immediate black market in meat that would outdo anything we had during prohibition or at the end of OPA."

Evangelism Program Explained to Class

(Continued From Page One)

Mrs. A. C. Seawell, wife of the Pottstown hospital administrator and author of several books herself, last night told the Bluebird class of First Baptist Sunday school how evangelism can apply to church school.

She said each pupil could be an evangelist by bringing others into the school.

It was a monthly meeting of the school's teachers and workers. Dinner was served before the business session and address. Fifty persons attended.

covered after he spoke to Grimm yesterday, but did not elaborate on this disclosure.

Baker said that Grimm would face the charges since "he is presumably the head of the house, and is assumed to be responsible for the presence of the still."

Police Chief James A. Laughlin, in Philadelphia yesterday morning, lodged a complaint against Grimm and asked the liquor board agents to take action.

If tried and found guilty, Grimm would be liable to a fine of \$300 or one year in jail on the charge of manufacturing untaxed liquor, and \$100 or 30 days in jail on the charge of possessing untaxed liquor.

These sentences apply to first offenses; the agents had not yet checked to see if Grimm had any previous offenses of the State liquor laws.

council here tomorrow at 10.30 a. m. (Pottstown time).

Van Langenove, who started the talks the past Saturday, pledged the delegates to secrecy until tomorrow. The private meetings were held in the Belgian delegation office in New York.

India has charged that Pakistan aided tribal invaders who have penetrated a considerable distance into the princely state in northernmost India.

Pakistan counter - charged that India was carrying on acts of aggression against Pakistan. Pakistan requested that the council appoint a commission or commissions to investigate charges of "mass destruction of Moslems in the areas now included in the Indian union."

MERCURY SINKS

(Continued From Page One)

season which was tied yesterday was set the past Thursday. It broke a 50-year record for Jan. 15.

The mercury stayed south only during the dark hours, however. Between 7 a. m. and noon it rose 15 degrees to 20 where it hung for six hours under the baton of the sun.

The past year's low of 24 for Jan. 19 seemed Floridian next to yesterday.

There was little or no melting on Pottstown's streets and sidewalks where ice was worn down by friction alone. Because of this and the sun and brilliant air the day was perfect for winter sports, sledding and skating particularly.

Meanwhile Pottstown glowed like a hot pot-bellied stove beside other spots in the Commonwealth.

At the mountain town of Orson, Wayne county, the 324 residents there lived the life of deep-frozen groceries as the temperature sank to 40 below. It was the coldest place in the country yesterday. The figure came within two degrees of equalling the all-time State record.

Orson was only an example of what happened to much of the rest of the country as the mercury slipped below zero in most of New England, New York and the Ohio valley.

The weatherman predicts that residents won't have to swing coal shovels quite so hard today. It will warm up some, he says, and cloud over. Tomorrow you may see rain or snow out your window depending on how much it warms up.

WOMAN'S BODY FOUND

HOSPITAL PROGRAM

(Continued From Page One)

ent H. Dengler, 71 High street, specialist in ophthalmology, and of Dr. C. F. Hall, of Phoenixville, specialist in bronchoscopy.

Mrs. Selma Shaffer, formerly of St. Luke's hospital and of the Children's Medical Center, Philadelphia, will join the nursing school as instructor in Nursing Arts, Seawell announced.

A gift of \$1000 was acknowledged for a rotating anode tube in the hospital X-ray machine. The donor requested anonymity.

In addition, the trustees were informed of the receipt of a new X-ray for the genito-urinary examining table as part of the improvement of the urology department.

Seawell said that the program of replacing all the old pipe in the hospital, which was begun Jan. 1, would be finished by the end of February.

Favorable reports of the cancer detection and orthopedic clinics were received by the board.

them from the building to safety in a spring house on the property. In the meantime, two other children, Harry, an 11th grade student in the high school, came down from the second floor and Rose Marie, aged 16, left the third floor.

Harry Gabel, who with his wife, occupies the east wing of the second floor, also left the burning building, while Mr. and Mrs. Richard Downing, occupants of the west wing of the same floor, also departed. Mrs.

Gabel is visiting a son-in-law and daughter in Arkansas. The fire was confined to two cellars in the huge basement and damage was greatest on the first floor of the east wing, in addition to the basement. Mrs. Brady said the loss is covered by insurance. It was reported that the fire was caused by a defective flue.

Heavy joists holding up the hardwood floor were burned and firemen were forced to use axes to get at the stubborn blaze.
